>Manpower and Staffing Services

BTN offers Manpower and Staffing services to support the industry leaders in cleaning. General labor you can count on to provide your Company with on-demand workers, nationwide, 24/7. From small work groups to hundreds of personnel, we have the hiring expertise to assist you with any size job.

Our technology will help you keep track of each worker on the field, allowing you to audit the worked hours on a daily basis giving your Company the certainty that the worked hours billed are accurate, with no downtime on our end.

We have worked cleaning after many major disasters including hurricane Harvey in Texas, Florence in North and South Carolina, and most recently hurricane Michael in Florida providing 1000+ workers along.

Always Ready
